Role Overview

We are looking for motivated Agency Managers to build and manage a strong life insurance agency network. The candidate will be responsible for recruiting insurance agents, supporting them in business generation, and driving life insurance policy sales.

Key Responsibilities

- Recruit and onboard new insurance agents.
- Develop and maintain a strong agent network.
- Train and motivate agents to achieve business targets.
- Generate life insurance business through the agency channel.
- Guide agents in customer acquisition and policy sales.
- Achieve assigned sales and recruitment targets.
- Maintain good relationships with agents and customers.
- Track agent performance and provide regular support.

Compensation

- Fixed Salary + Performance Incentives
- CTC up to ₹7 LPA, depending on experience and profile.
- Agents: Commission-based earnings with attractive incentives.
- Additional performance-based incentives as per company policy.

Eligibility

- Graduate preferred.
- Any sales experience is acceptable.
- Candidates from Life Insurance, General Insurance, Banking, NBFC, BFSI, FMCG, Telecom, Retail or other sales backgrounds can apply.
- Good communication and interpersonal skills.
- Strong interest in sales and team building.
- Ability to recruit and manage agents.

Preferred Candidate

Candidates who have experience in field sales, direct sales, agency sales, relationship management, or team handling will be preferred.
