Job ID : TH-215
Job Title: Regional Business Manager – Mass Mortgage

Company: SMFG Credit India Pvt Ltd
Location: Chennai & ROTN
Employment Type: Full-time
Work Mode: On-site
Compensation: ₹25 – 30 LPA
Open Positions: 1
Education Requirement: Bachelor's Degree
Experience Requirement: 12 – 18 years (with preference for 20+ years in NBFC market)
Status: Active Hiring

About the Role

We are seeking an experienced and result-oriented Regional Business Manager – Mass Mortgage to lead and scale the Mortgage (Loan Against Property) business across the Chennai & ROTN region.

The incumbent will be responsible for driving business growth, market expansion, channel development, team productivity, portfolio quality, and profitability. The role requires building a strong sourcing ecosystem through DSAs, connectors, direct sales, branch channels, builders, and other strategic partnerships, while ensuring disciplined underwriting, process adherence, and superior customer experience.

The ideal candidate should have:

- Strong understanding of Mass Mortgage / LAP
- Deep regional relationships
- Proven track record of building high-performing sales teams and scaling business

Key Responsibilities

1. Regional Business Growth

- Own and deliver regional business targets for logins, sanctions, disbursements, revenue, and profitability.
- Develop and execute regional business plans aligned with organizational strategy.
- Identify new markets, customer segments, and growth opportunities.
- Drive market share expansion through deeper penetration and entry into new locations.
- Monitor funnel, conversion, productivity, and achievement against monthly/quarterly/annual targets.

- Ensure sustainable growth while maintaining portfolio quality.

2. Mass Mortgage / LAP Business

- Drive sourcing and disbursement of Mass LAP.
- Develop strong understanding of self-employed and informal-income customer segments.
- Ensure appropriate customer and product segmentation.
- Balance growth, risk, and profitability through quality sourcing.

3. Channel & DSA Management

- Build, expand, and manage a strong network of DSAs, connectors, referral partners, and sourcing agencies.
- Identify and onboard high-potential channel partners.
- Improve productivity and wallet share of existing DSAs.
- Establish partner-wise business plans, targets, and reviews.
- Conduct regular partner meets, training sessions, and business reviews.
- Develop a scalable and productive distribution ecosystem.

4. Team Leadership

- Lead, mentor, and develop the regional sales team (Regional/Cluster/Area Managers and Sales Managers).
- Recruit high-quality talent and build a strong leadership pipeline.
- Set clear performance objectives and monitor productivity.
- Conduct regular reviews and implement corrective actions.
- Create a high-performance, customer-centric sales culture.
- Deploy manpower effectively across markets.

5. Market & Relationship Management

- Build strong relationships with DSAs, connectors, builders, developers, property consultants, and local influencers.
- Maintain deep understanding of local market dynamics, competitor activity, pricing, and customer trends.
- Identify emerging markets and sourcing opportunities.
- Strengthen brand and market presence across the region.

6. Cross-Functional Coordination

- Collaborate with Credit, Operations, Risk, Legal, Technical, Collections, and Product teams.
- Improve turnaround time from login to sanction/disbursement.
- Resolve customer, channel, and operational escalations.
- Provide market feedback to Credit/Product teams.
- Enhance coordination between sales and credit to improve approval ratios.

7. Portfolio Quality & Risk Management

- Ensure sourcing quality in line with credit policies and risk appetite.
- Monitor portfolio quality, early delinquencies, and sourcing quality by channel/team/location.
- Work with Collections to address portfolio stress.
- Ensure adherence to documentation, audit, and regulatory requirements.
- Maintain governance across pre- and post-disbursement processes.

8. MIS, Analytics & Business Reviews

- Monitor performance through dashboards and MIS covering:
    - Lead generation, login volumes, sanction conversion, disbursement, ticket size, productivity, TAT, rejection rates, portfolio quality, and delinquencies.
- Conduct weekly/monthly business reviews with actionable insights.
- Use data and market intelligence to identify gaps and improve performance.

Skills & Competencies

Must-Have Skills

- Mortgage Sales / Loan Against Property (LAP) expertise
- Mass LAP & Prime LAP experience
- DSA network and channel management
- Team leadership and talent development
- NBFC industry experience
- Regional market knowledge (Chennai/ROTN)
- Portfolio quality management and risk adherence
- Relationship management with builders/developers/consultants
- Sales MIS and performance analytics

Good-to-Have Skills

- Understanding of self-employed/informal-income customer segments
- Market expansion and new segment identification
- Cross-functional coordination (Credit/Operations/Risk/Legal/Collections/Product)
- Collections coordination for delinquency control
- Training and development of channel partners
- Competitor and pricing analysis
- Process/TAT improvement

Optional / Bonus Skills

- Branch channel development
- Direct sales program management
- Data-driven decision making and dashboards
- Presentation of weekly/monthly business reviews
