

Credit Manager – Wholesale Lending

Industry: NBFC / MFI / Fintech

Experience: 3–5 Years

Qualification: CA / MBA

Location: Mumbai

Work Mode: On-site

Employment Type: Full-time

Openings: 2

CTC: ₹10–13 LPA

About the Role

We are looking for an experienced Credit Manager – Wholesale Lending with strong expertise in underwriting corporate/NBFC clients. The candidate will be responsible for evaluating the creditworthiness and risk profile of entities and preparing detailed credit assessment reports.

Note: Candidates must have experience in underwriting for NBFC corporate clients.

Key Responsibilities

- Analyse the creditworthiness of NBFCs and corporate entities.
- Perform detailed financial analysis of entities.
- Conduct management meetings with clients/entities.
- Carry out due diligence at the Head Office and branch visits to evaluate risk.
- Prepare detailed Credit Assessment Reports.
- Analyse key risk parameters, including:
 - Financial Risk
 - Management Risk
 - Business Risk
- Understand applicable regulations and industry-specific factors.
- Monitor the portfolio of entities and closely track concern accounts.
- Conduct in-depth credit evaluations with strong attention to detail.
- Assess the impact of changing business and economic environments on companies.
- Identify potential credit risks and provide appropriate assessments.
