

JOB DESCRIPTION – BRANCH MANAGER

Generali Central Life Insurance Company Limited

Position: Branch Manager

Locations: Bangalore | Calicut | Nagpur

CTC: Up to ₹10 LPA

Experience: Minimum 2+ Years in Team Handling / Branch Management

Industry: Life Insurance / BFSI

Position Overview

Generali Central Life Insurance Company Limited is looking for an experienced and result-oriented **Branch Manager** to manage branch operations, lead sales teams, drive business growth, and achieve branch-level revenue and business targets.

The ideal candidate should have strong experience in **team handling, sales management, customer acquisition, and business development**, preferably from the Life Insurance or BFSI industry.

Key Responsibilities

- Manage and lead the branch sales team to achieve business and revenue targets.
- Recruit, train, motivate, and develop sales team members.
- Drive new customer acquisition and business generation through various sales channels.
- Monitor individual and team performance against assigned targets.
- Develop and implement branch-level sales strategies and action plans.
- Ensure achievement of monthly, quarterly, and annual business targets.
- Generate business through direct sales, referrals, and assigned distribution channels.
- Build and maintain strong relationships with customers and business partners.
- Conduct regular team meetings, performance reviews, and sales planning sessions.
- Identify market opportunities and develop strategies to increase branch business.
- Ensure adherence to company policies, processes, compliance requirements, and regulatory guidelines.
- Track sales performance, productivity, conversion ratios, and business metrics.
- Provide regular performance reports and updates to the management.
- Resolve customer and team-related issues effectively.
- Maintain high standards of customer service and business quality.

Candidate Requirements

- Bachelor's degree in any discipline.
- **Minimum 2+ years of experience in team handling.**
- Experience in **Life Insurance Services** preferred.
- Proven experience in sales and business development.
- Strong team management and leadership skills.
- Good communication, interpersonal, and negotiation skills.
- Target-oriented with strong business acumen.
- Ability to recruit, coach, motivate, and manage a sales team.
- Strong understanding of the local market and customer acquisition.
- Candidates with existing local market networks will be preferred.

Key Skills

- Branch Management
- Team Handling
- Sales Management
- Business Development
- Customer Acquisition
